

Big Cat Rescue Enrichment Program
 Behavioral Husbandry Goal Development Tool

Date: _____
 Species: _____

What BEHAVIORS do we want to encourage?		How do we want to encourage the BEHAVIORS?	Prioritize projects & identity project coordinator
BEHAVIOR (based on Natural and/or individual history)	Do they exhibit the BEHAVIOR now?	Describe enrichment techniques that would provide, or is currently providing, the opportunity & motivation for the BEHAVIOR.	Prioritize projects based on: Behavioral need* & feasibility** (rank them - e.g. 1 = highest priority)

* Behavioral need = Subjective assessment of how 'important' it is for the animal to be able to exhibit/perform this behavior.

** Feasibility = Assessment of current/potential resources or management constraints that may limit ability to implement.
